Bachelor programme | Full-time

Follow us

Dear prospective student,

thank you for your interest in the bachelor programme in Banking and Finance. Choosing the right degree programme can often be quite challenging and raise many questions. With this brochure, we want to offer you a comprehensive insight into the contents and structure of our programme, as well as the career opportunities you will have upon graduation, offering you the best possible support in making your decision.

Risk management, customer business and corporate finance are part of the core business in the banking and finance industry. The focus of the bachelor programme Banking and Finance is to grasp the complex interrelationships practically as well as theoretically, and to draw conclusions from them. Furthermore, you will gain comprehensive knowledge of the insurance industry and international economics. This combination lays the foundation for your professional career in the banking and finance sector, and you can start out as the financial expert of tomorrow.

As future graduate, you have a wide range of career options: you can work as a Relationship Manager, Junior Asset Manager, Junior Treasury Manager, Financial Analyst or Controller.

We are aware that a bachelor degree is an investment in your future and just like you, we want this investment to pay off!

Hon.-Prof. (FH) Mag. (FH) Gernot Kreiger, MBA, zPM Degree programme director

The student body at my university is very international, as many degree programmes are offered in English. Some bachelor programmes even have a language focus in the curriculum, so you are able to choose between learning Spanish, French or Russian. Besides that, a lot of exchange students spend their semester abroad at UAS BFI Vienna each semester.

As a student, I see this cultural diversity as an asset for our university, as it provides us with many opportunities for intercultural exchange and international networking.

**Hannah Pladerer, BA**Graduate and Audit Associate
EY Austria

# **Experience internationality**

University of Applied Sciences BFI Vienna cooperates with more than 80 partner universities all over the world. Our international network results in many joint projects and an intensive exchange of lecturers and students.

A stay abroad offers you the unique opportunity to make international contacts, hone your foreign language skills, get to know other cultures, and develop professionally and personally. In addition, gaining international experience opens up a wide range of career opportunities for you.

#### Options for your stay abroad

You can take advantage of our long-term mobility programmes (semester or traineeship abroad) and short-term mobility programmes (International Bachelor Weeks, summer schools). During the short-term mobilities, you will spend one to several weeks at one of our partner universities and have the opportunity to receive inspiring input from experts in workshops and lectures and work together in intercultural teams.

#### APPLICATION DEADLINE

For semester abroad in the winter semester: 15 March

For semester abroad in the summer semester: 15 September

## **Admission requirements**

If you meet one of these admission requirements for the bachelor programme, nothing more stands in the way of your application:

- Austrian school-leaving certificate ("Matura") or Vocational matriculation qualification ("Berufsreifeprüfung") or
- University entrance qualification exam ("Studienberechtigungsprüfung") for social and business studies or
- A foreign certificate that is equivalent to one of these Austrian certificates or
- Completion of a relevant apprenticeship or a relevant school for intermediate vocational education plus supplementary exams in English and mathematics
- Non-specialist apprenticeship qualification or qualification from a vocational secondary school plus specialist knowledge and skills from relevant professional practice

For this degree programmes you require English **CEFR**-competence **level C1**. German language competence is not necessary for this programme.

## Your application in 6 steps

## Admission test for your desired degree programme

The admission test for bachelor programmes consists of the following test sections: reading comprehension, English, maths, business administration and a degree programmespecific part. The test takes place online between March and June. As soon as we have checked your application and you meet the admission requirements, we will invite you to the admission test via email. From the date of the email onwards, you will have seven days to book your test date yourself via the application portal. From the end of January, preparation materials for the admission test will be available on our website, which you can use to prepare yourself optimally.

In the guide "Application and admission" we give you a comprehensive overview of the admission procedure at our UAS - from your registration on the application portal to the admission to your chosen degree programme.
