

Additional qualifications examinations and supplementary examinations mathematics

Please visit our website for more information on exam requirements and recommended literature for each subject: <http://www.fh-vie.ac.at/en/Degree-Programmes/Studying-without-School-Leaving-Exam> Please note that for the English and German examinations additives are not allowed! You may use a non-programmable calculator for the maths exam, but no formulary. Please bring a pen, a pencil and a geometry set square to the maths exam.

Permitted calculators:

Texas Instruments: TI-106, TI-30 series, TI-34

Sharp: EL-520W, EL-531WH, EL-509W/EL-531W, EL-510R, EL-500M, EL-501W, EL-735, EL-733A, EL-520G, EL-W506, EL-W550 XG

Casio: FX-85MS, FX-82, SL-82SX, FX-992s, SL-450L, FX-350MS, FX-115D, FX-991 DE Plus, FX-87 DE Plus

Calculators not permitted:

All kinds of programmable calculators and calculators that can solve linear equations are not permitted. Neither are ones with storage (with add-ins), ones that can solve matrix calculations or symbolic differentiation with or without CAS (Computer Algebra System).

Texas Instruments: TI-82, TI-83 Plus, TI-89, Voyage 200, TI-68

Sharp: EL-9900, EL-9650/9600c, EL-9450, EL-5120, EL-546L, EL-512 H

Casio: FX-4800P, FX-4500PA, FX-5500LA, FX-3650, ClassPad 300, Algebra FX20 Plus, FX 1.0 Plus, CFX-9850GB Plus, FX-9750G Plus, FX-7400G Plus

HP: 10BII Citizen: SRP-285II
